This BMC-84 bond form (revision date 9/26/2013) is provided pursuant to the requirements of MAP-21 and regulations promulgated by the FRCSA. It supersedes and replaces the previous BNC-84 form with the same serial number 13310 , previously issued on the BMC-84 form that was approved for use at the time. The electronic filing of the BMC-84 will reflect the new required minimum of \$75,000 beginning 10/1/2013, which is the date on which the MAP-21 legislation takes effect. The FMCSA system requires the entry of an effective date of 10/1/2013 or large in order to reflect a financial responsibility amount of \$75,000. This replacement form is a technical correction issued to conform with the regulations. It does not increase the obligations of the surety beyond the amount reflected in this instrument.
